**Right Women PAC Endorses Anna Paulina Luna in  
Florida's Thirteenth Congressional District**

WASHINGTON, DC – Right Women PAC announced today its endorsement of Anna Paulina Luna, candidate for Florida's Thirteenth Congressional District.

Luna, who ran in 2020 to defeat ultra-liberal Charlie Crist, has announced that she will run for the seat again in 2022. Crist, a career politician, has announced he will run for governor again, leaving this seat open. With Florida's redistricting, it is possible that the 13<sup>th</sup> District of Florida will become slightly more Republican.

Luna's spirited campaign in 2020 garnered the attention of conservative grassroots activists across the country. President Donald Trump endorsed Anna in the 2020 cycle, as well. During that campaign, Twitter banned Anna Paulina Luna's account – a badge of honor for true conservatives who speak their minds. Luna demonstrated her tenacity after the Twitter ban, as she successfully connected with residents in the 13<sup>th</sup> District of Florida through other means. Conservatives can count on Anna to defend free speech and rein in Big Tech.

Anna Paulina Luna is an Air Force veteran and small-business owner who always stands firm in her conservative convictions. Today she speaks directly to all of the communities in her district through her popular conservative Hispanic radio show.

"Right Women today endorsed Anna Paulina Luna again this cycle. Right Women was so proud of the campaign she ran in 2020, and we look forward to her victory in 2022," said Debbie Meadows, Executive Director of Right Women PAC. "She is an enthusiastic defender of the dignity of human life, and a champion for our Second Amendment rights. Her voice is needed in Congress."

"Anna is committed to helping our nation implement the America First agenda. As a business owner, Anna understands what we need to do for a full economic recovery, and she will work to implement those reforms once elected," said Right Women Board Member Amy Kate Budd.

Right Women PAC's mission is simple and strategic: to help elect genuinely conservative women to Congress. Right Women only endorses women candidates who demonstrate they are: ***pro-Constitution, pro-life, supportive of President Trump's America First agenda, staunch defenders of the Second Amendment and law enforcement agents, and advocates for border security, religious freedom, Israel, and our veterans.***
