Right Women PAC Endorses Christina Hagan in Ohio's Thirteenth Congressional District

WASHINGTON, DC – Right Women PAC announced today its endorsement of Christina Hagan, candidate for Ohio's 13th District.

Christina Hagan has been a leading conservative voice in Ohio politics. During her time in the state legislature, she was nationally recognized by *Forbes Magazine* as one of the "30 Under 30" for her work to create a better business environment in Ohio, and to reshape the state's image as a national economic powerhouse.

Elected to the Ohio House of Representatives at the age of 22, she was the youngest-ever woman to serve in the state's legislature. A trailblazer who never wavers from her conservative principles, hers is the type of voice we need in Congress.

"Christina Hagan has an impressive record of accomplishment," said Debbie Meadows, Executive Director of Right Women PAC. "She is a creative problem-solver, especially when it comes to fostering economic recovery. As our nation looks to make a speedy recovery from the COVID-related economic downturn, Christina is the right person to represent Ohio's 13th District. We are looking forward to her victory in November, and to welcoming her to Congress in January."

"Christina is strong on all of our issues," said Right Women Board Member Rosel Cloud. "She will work with other conservatives in the House, and with President Trump, to champion legislation that advances Right Women's core principles."

Right Women PAC's mission is simple and strategic: to help elect genuinely conservative women to Congress. Right Women only endorses women candidates who demonstrate they are: ***pro-Constitution, pro-life, supportive of President Trump's Make America Great Again agenda, staunch defenders of the Second Amendment and law enforcement agents, and advocates for border security, religious freedom, Israel, and our veterans.***
