### **Right Women PAC Congratulates Cynthia Lummis for Winning U.S. Senate Race in Wyoming**

WASHINGTON, DC – Right Women PAC tonight congratulated Cynthia Lummis for winning the U.S. Senate race in Wyoming. Cynthia Lummis previously served in the U.S. House of Representatives for four years, and will now represent the state in the Senate.

As a founding member of the House Freedom Caucus when she served in the House of Representatives, and the only woman who helped launch the now powerful caucus, Lummis was the single Senate candidate to earn Right Women’s endorsement. She will bring her same conservative priorities to the Senate.

A stalwart conservative who embodies Wyoming’s values, Cynthia Lummis is pro-life, a strong supporter of the Second Amendment, and an advocate for our military.

“Right Women is proud of Cynthia’s victory tonight, and we are looking forward to having such a committed conservative in the United States Senate,” said Debbie Meadows, Right Women’s executive director. “Cynthia shares our commitment to pro-life issues, securing the border, and championing the Constitution.”

“Cynthia Lummis ran a positive campaign that put the power of conservatism on display,” Right Women board member Amy Kate Budd added. “She offers a vision of economic recovery and economic freedom, while those on the political left continue to advocate for outright socialism and restraints on our liberties. She won overwhelmingly because of her message of economic freedom and growth.”

Right Women PAC’s mission is simple and strategic: to help elect genuinely conservative women to Congress. Right Women only endorses women candidates who demonstrate they are: ***pro-Constitution, pro-life, supportive of President Trump’s Make America Great Again agenda, staunch defenders of the Second Amendment and law enforcement agents, and advocates for border security, religious freedom, Israel, and our veterans.***
