Right Women PAC Endorses Congresswoman Debbie Lesko in Arizona's Eighth Congressional District

WASHINGTON, DC – Right Women PAC announced today its endorsement of Congresswoman Debbie Lesko for re-election in Arizona's Eighth Congressional District.

The only woman currently in the House Freedom Caucus, Congresswoman Lesko is a strong voice for conservatives. As a member on the House Judiciary Committee, she has helped advance the rule of law and has taken a strong stand for President Trump and his agenda. She also serves as the Co-Chair of the Congressional Caucus for Women's Issues.

"Right Women today endorsed Debbie Lesko in her re-election bid. She has been an unwavering friend of the cause of liberty. The people of Arizona's eighth congressional district are fortunate to have Debbie fighting for them," said Debbie Meadows, Executive Director of Right Women PAC. "Debbie never shies away from championing conservative issues. She is a fiscal conservative who understands the damage done by excessive regulatory and tax burdens."

"Debbie consistently votes to protect unborn babies' lives, and she supports our military and veterans. Being from Arizona, she offers fresh insights into the border crisis, and is an ally for President Trump on immigration and border security," said Right Women Board Member Amy Kate Budd.

Right Women PAC's mission is simple and strategic: to help elect genuinely conservative women to Congress. Right Women only endorses women candidates who demonstrate they are: ***pro-Constitution, pro-life, supportive of President Trump's Make America Great Again agenda, staunch defenders of the Second Amendment and law enforcement agents, and advocates for border security, religious freedom, Israel, and our veterans.***
