### **Right Women PAC Endorses Jessi Ebben in Wisconsin's Third Congressional District**

WASHINGTON, DC – Right Women PAC announced today its endorsement of Jessi Ebben, candidate for Wisconsin's 3<sup>rd</sup> District. She will be on the ballot in the August 11<sup>th</sup> GOP primary in Wisconsin.

Jessi Ebben is committed to conservative values and Right Women's positions. She is a defender of the Second Amendment and our other cherished Constitutional rights. Jessi is also an enthusiastic advocate for the unborn, and will be a strong voice for pro-life policies. Jessi will also prioritize the rule of law and she supports President Trump's law-and-order agenda.

"Jessi Ebben has a solid background as a communications specialist who helps translate the public's concerns into actionable reforms for local governments," said Debbie Meadows, Executive Director of Right Women PAC. "Throughout her career, Jessi has helped make government more responsive and accessible to constituents. She understands the importance of limited government and federalism, and she will be an advocate for both."

"Jessi is a champion for all of Right Women's core principles," said Right Women Board Member Amy Kate Budd. "We are looking forward to her victory in the August primary."

Right Women PAC's mission is simple and strategic: to help elect genuinely conservative women to Congress. Right Women only endorses women candidates who demonstrate they are: ***pro-Constitution, pro-life, supportive of President Trump's Make America Great Again agenda, staunch defenders of the Second Amendment and law enforcement agents, and advocates for border security, religious freedom, Israel, and our veterans.***
