### **Right Women PAC Endorses Kathy Landing in the GOP Primary Race in South Carolina's First Congressional District**

WASHINGTON, DC – Right Women PAC announced today its endorsement of Kathy Landing, candidate for South Carolina's 1<sup>st</sup> District. The primary will take place on June 9, 2020.

Kathy Landing is a committed conservative, and gives freely of her time and talents to make her community a better place. From volunteering to support Operation Smile to playing the organ at her church, Kathy is passionate about helping others. Kathy puts her beliefs into practice by volunteering at crisis pregnancy centers to support women during their pregnancies, and after the baby arrives.

Born into a military family, and married to Joe, who served for six years as a United States Navy officer, Kathy is a strong advocate for our nation's men and women in uniform. Kathy and Joe have two children, Kristie and Joseph.

"Kathy is a staunch conservative and believes firmly in Right Women's core principles," said Debbie Meadows, Executive Director of Right Women PAC. "She is one of the hardest-working women I know. Kathy's decades-long professional experience as a financial planner and her service over the past three years as city councilwoman have earned her the trust of her clients and community. Her business experience is precisely what our nation needs as we tackle the economic recovery. Once elected to Congress, Kathy will join the Freedom Caucus and champion true conservative values, and will be a reliable pro-life voice. We look forward to Kathy's victory on June 9th."

Right Women PAC's mission is simple and strategic: to help elect genuinely conservative women to Congress. Right Women only endorses women candidates who demonstrate they are: ***pro-Constitution pro-life, supportive of President Trump's Make America Great Again agenda, staunch defenders of the Second Amendment and law enforcement agents, and advocates for border security, religious freedom, Israel, and our veterans.***
