### **Right Women PAC Endorses Lauren in Colorado's Third Congressional District**

WASHINGTON, DC – Right Women PAC announced today its endorsement of Lauren Boebert, candidate for Colorado's Third Congressional District.

Lauren Boebert is the owner of a successful restaurant, Shooters Grill, located in Rifle, Colorado. She is a passionate defender of the Second Amendment, and her restaurant has made a name for itself as an ardent supporter of the right to bear arms. Lauren supports President Trump's agenda, and he recently tweeted his endorsement of Lauren.

"Right Women announces our endorsement of Lauren Boebert today," said Debbie Meadows, Executive Director of Right Women PAC. "Lauren is a courageous fighter, and will stand up for our conservative values in Congress."

"Lauren is an unwavering, pro-life conservative. She is committed to enforcing our nation's immigration laws and upholding the Constitution," said Right Women Board Member Cindy Biggs. "Lauren understands that Big Government always translates into less freedom, and she will advance policies that protect individual liberty."

Right Women PAC's mission is simple and strategic: to help elect genuinely conservative women to Congress. Right Women only endorses women candidates who demonstrate they are: ***pro-Constitution, pro-life, supportive of President Trump's Make America Great Again agenda, staunch defenders of the Second Amendment and law enforcement agents, and advocates for border security, religious freedom, Israel, and our veterans.***
