**Right Women PAC Congratulates Lauren Boebert in
Colorado's Third Congressional District**

WASHINGTON, DC – Right Women PAC today congratulated Lauren Boebert on her victory in Colorado's 3rd Congressional District.

Lauren Boebert is a successful business owner with a well-known restaurant, Shooters Grill, located in Rifle, Colorado. She has become an ardent spokesperson for the Second Amendment, after she was propelled to national fame for challenging Beto O'Rourke on his gun-confiscating positions. Her restaurant has made a name for itself as a place where the Second Amendment is celebrated.

"Right Women is proud of Lauren and her victory in this election," said Debbie Meadows, Executive Director of Right Women PAC. "Lauren is a courageous fighter, and will stand up for our conservative values in Congress. We are excited to welcome her to Congress in January."

"Lauren is a solid conservative, and will be a strong champion for our conservative values. She is pro-life, committed to enforcing our nation's immigration laws, and a defender of our Constitution," said Right Women Board Member Amy Kate Budd.

Right Women PAC's mission is simple and strategic: to help elect genuinely conservative women to Congress. Right Women only endorses women candidates who demonstrate they are: ***pro-Constitution, pro-life, supportive of President Trump's Make America Great Again agenda, staunch defenders of the Second Amendment and law enforcement agents, and advocates for border security, religious freedom, Israel, and our veterans.***
