**Right Women PAC Congratulates Marjorie Greene for Coming in First Place in the GOP Primary Race in Georgia's Fourteenth Congressional District**

WASHINGTON, DC – Right Women PAC today congratulated Marjorie Greene for her victory in the GOP primary for Georgia's 14<sup>th</sup> Congressional District. Greene garnered 41% of the vote, and came in first place. She will now advance to the runoff on August 11<sup>th</sup>. She beat Dr. John Cowan, her nearest opponent, by 22 points.

As a pro-life, pro-economic growth conservative, Marjorie Greene earned Right Women PAC's endorsement. She has made clear her intention to combat the radical socialist agenda, and is a stalwart champion of the Second Amendment and the rule of law. Georgia will greatly benefit from her voice in Congress.

"Right Women is enthusiastic in our support of Marjorie Greene, and we are thrilled that she will advance to the runoff in August," said Debbie Meadows, Right Women's executive director. "Marjorie is committed to standing up for economic freedom and will help advance President Trump's Make America Great Again agenda. We cannot wait to welcome her to Congress."

Right Women PAC's mission is simple and strategic: to help elect genuinely conservative women to Congress. Right Women only endorses women candidates who demonstrate they are: ***pro-Constitution, pro-life, supportive of President Trump's Make America Great Again agenda, staunch defenders of the Second Amendment and law enforcement agents, and advocates for border security, religious freedom, Israel, and our veterans.***
