**Right Women PAC Endorses Yesli Vega in
Virginia's 7th Congressional District**

WASHINGTON, DC – Right Women PAC announced today its endorsement of Yesli Vega, candidate for Virginia's Seventh Congressional District.

Yesli Vega has had a distinguished career in law enforcement, serving in three different law enforcement agencies in Virginia. She began her career as a police officer with the City of Alexandria's Police Department. She then served in the Manassas Park Police Department, and later moved to the Prince William County Sheriff's Office, where she serves as an auxiliary deputy and Crisis Intervention Team member. She will be an important voice in Congress, helping to restore the rule of law in our nation.

Vega has demonstrated her commitment to her community. She is active in her church and also coaches her daughter's soccer team. She volunteers her time during the Christmas season with Santa Cops, and volunteers year-round with Special Olympics.

"Yesli's conservatism is on full display through her work on the Prince William County Board of Supervisors," Rosel Cloud, a board member of Right Women, noted. "She has championed the Second Amendment, fighting and defeating numerous gun-control bills, aimed at stripping law-abiding Virginians of their Second Amendment rights. In Congress, she will be a great advocate for all of our Constitutional rights."

"Congress needs fiscal conservatives like Yesli. During her time on the Prince William County Board of Supervisors, time and again, she has opposed proposed property tax hikes and has fought for more transparency and fiscal restraint in the local government. She's a born leader, and will be a great addition to the Freedom Caucus as our nation battles the Left's out-of-control spending," said Cindy Biggs, another Right Women board member.

Right Women PAC's mission is simple and strategic: to help elect genuinely conservative women to Congress. Right Women only endorses women candidates who demonstrate they are: ***pro-Constitution, pro-life, supportive of the Trump America First agenda, staunch defenders of the Second Amendment and law enforcement agents, and advocates for border security, religious freedom, Israel, and our veterans.***
