Right Women PAC Launches New Ad in Support of Yvette Herrell in the GOP Primary Race in New Mexico's Second Congressional District

WASHINGTON, DC – Right Women PAC announced today the release of a new ad in support of Yvette Herrell, candidate for New Mexico's 2nd Congressional District. The primary will take place on June 2, 2020.

Yvette Herrell earned Right Women PAC's endorsement because she is a committed conservative who will be a strong ally for President Trump. As a former state legislator and a successful entrepreneur, Yvette understands how to craft policies to foster economic growth. Once elected to Congress, she will help implement President Trump's Great American Economic Revival plan.

Right Women's endorsement ad, which can be viewed on the website at <https://rightwomen.com/candidates/herrell/>, focuses on Yvette's qualifications and conservative strengths, and why she is exactly the right person to represent New Mexico's Second Congressional District. Yvette will work tirelessly as President Trump's partner in draining the DC swamp.

Right Women PAC's mission is simple and strategic: to help elect genuinely conservative women to Congress. Right Women only endorses women candidates who demonstrate they are: ***pro-Constitution, pro-life, supportive of President Trump's Make America Great Again agenda, staunch defenders of the Second Amendment and law enforcement agents, and advocates for border security, religious freedom, Israel, and our veterans.***
