Right Women PAC Congratulates Yvette Herrell on Her Victory in the GOP Primary Race in New Mexico's Second Congressional District

WASHINGTON, DC – Right Women PAC today congratulated Yvette Herrell for her victory in the GOP primary for New Mexico's 2nd Congressional District.

Yvette Herrell earned Right Women PAC's endorsement because she is a committed conservative who will be a strong ally for President Trump. As a former state legislator and a successful entrepreneur, Yvette understands how to craft policies to foster economic growth. New Mexico needs her leadership in Congress.

This race was one of the most heated GOP primaries, with numerous false attacks leveled against Herrell. As recently as last month, polling indicated Herrell was trailing her opponent. Right Women continued to invest in this race, releasing an endorsement to support her. The ad can be viewed here: https://rightwomen.com/candidates/herrell/

"Right Women has been an unwavering supporter of Yvette Herrell, and we are pleased that the voters of New Mexico's second congressional district were able to see through the negative campaign against her," said Debbie Meadows, Right Women's executive director. "Yvette is the right person to tackle our nation's economic challenges, and we are looking forward to her victory in November's election."

Right Women PAC's mission is simple and strategic: to help elect genuinely conservative women to Congress. Right Women only endorses women candidates who demonstrate they are: *pro-Constitution, pro-life, supportive of President Trump's Make America Great Again agenda, staunch defenders of the Second Amendment and law enforcement agents, and advocates for border security, religious freedom, Israel, and our veterans.*
