### **Right Women PAC Congratulates Yvette Herrell for Winning New Mexico's Second Congressional District**

WASHINGTON, DC – Right Women PAC congratulates Yvette Herrell on her victory in Mexico's 2<sup>nd</sup> Congressional District in a stunning upset.

Yvette Herrell earned Right Women PAC's endorsement because she is a committed conservative who shares the organization's priorities. As a former state legislator and a successful entrepreneur, Yvette understands how to craft policies to foster economic growth. Once she gets to Congress in January, she will get to work helping to usher in the next phase of the economic recovery.

Right Women PAC released an endorsement ad earlier this year, which can be viewed on the website at <https://rightwomen.com/candidates/herrell/>. The ad focused on Yvette's qualifications and conservative strengths, and why she is exactly the right person to represent New Mexico's Second Congressional District.

"We are so proud of Yvette for this victory. She faced a difficult primary race, from which she emerged as the GOP's nominee, and then went on to a very competitive general race, but again defied expectations and won," Debbie Meadows, Right Women PAC's executive director said. "This is a testimony to Yvette's work ethic and passion for the cause. We can expect to see more of this from her in Congress. She will be a fighter on our issues and will consistently defy expectations."

Right Women PAC's mission is simple and strategic: to help elect genuinely conservative women to Congress. Right Women only endorses women candidates who demonstrate they are: ***pro-Constitution, pro-life, supportive of President Trump's Make America Great Again agenda, staunch defenders of the Second Amendment and law enforcement agents, and advocates for border security, religious freedom, Israel, and our veterans.***
